

Veracity Consulting is an equal employment/affirmative action employer. As such we are subject to Executive Order 11246, the Vietnam Era Veterans' Readjustment Assistance Act (VEVRAA) of 1974, as amended and Section 503 of the Rehabilitation Act of 1973, as amended. These regulations require that we take affirmative action to employ and advance in employment females, minorities, veterans and qualified individuals with disabilities.

As an equal opportunity employer, we want to ensure that employees and applicants are treated without regard to their race, color, religion, sex, sexual orientation, gender identity, national origin, disability or status as a protected veteran.

When referring individuals to Veracity Consulting for available job openings, please be sure to consider all qualified individuals that possess the skills and experience we are seeking. We would also like to ensure that all listings/postings indicate we are an equal opportunity/affirmative employer and encourage protected veterans and individuals with disabilities, as well as all other qualified individuals to apply.

We appreciate your assistance in helping Veracity Consulting reach its equal employment and affirmative action objectives.

Sincerely,
